

8th ANNUAL INDIANA SOCCER FOUNDATION GOLF CLASSIC **June 7, 2019**

The annual Indiana Soccer Foundation Memorial Golf Classic is in memory of such persons as Larry Harmon, Bonnie Dale, Rick Weber, John Carter and others who passed on and made a significant contribution to the development of soccer in Indiana. Proceeds benefit the Rachael Fiege Outreach Fund.

This is an unrestricted fund that is used for grants consistent with the mission and vision of the Indiana Soccer Foundation – to help those Indiana children who are financially, physically, or mentally challenged gain access to the game. This includes programs such as TOPSoccer, Soccer Across America, Boys and Girls Scholarships, and the Value Through Sports program developed by Ball State University.
